

Lot Cleaning

We are people who experience developmental disabilities. We have a strong desire to contribute to our community. To this end, we are offering a lot cleaning service. Our rates are reasonable and we do a thorough job. A team of job coaches is helping us bring this service to you.

We will clean your lot, anywhere in the East Portland metro area, on the schedule that best suits your needs. We are fully insured and take care of all payroll costs and paperwork.

For more information, call Jim at SERP Enterprises.
