

SERP Programs and Openings

02/26/20

To request an interview for any of the staff openings listed below, or to send client info for potential inclusion of the client in a program, send an email to: bob@serpenterprises.com

Works-Gresham

We direct a parking lot cleaning crew Monday through Friday. It starts at 8:00 am. AM crew wraps up and is back to SERP by noon. AM workers are gone by 1:00pm.

The crew sweeps lots in Portland / Vancouver area using brooms, dustpans, and a garbage can.

We have a small crew that cleans a large church lot downtown. After finishing they may have another lot or two to clean.

We have another lot crew that works from 12:00 to 4:00 or 5:00 pm. They do the same work as the AM crews. They also use the broom and dustpan. They clean lots in the Portland area.

We also have a lawn crew that works limited days in the winter time. Wednesday and Friday afternoons. In the summer the crews also work on Monday afternoons.

To work on these crews a person needs to be able to: Climb into the work van, ride in the van to job sites while getting along with coworkers, receive direction from staff, and follow through tasks assigned with prompts. We work five days a week and would like clients to be to work consistently. Most of our clients attend SERP between 20 and 25 hours per week. Not all time is spent on the job sites; after work is finished the crew will be in the community in various activities.

Staff Openings

Community-Supported Employment

Individuals choosing employment will be assisted to find a job of their choice. Many methods may be used to arrive at the goal, including community-based assessment with opportunities to try out on some real jobs and do some job exploration in the community.

When appropriate, SERP partners with the Oregon Vocational Rehabilitation Department. With the assistance of skilled vocational rehabilitation counselors, additional supports are available to assure successful employment.

Stark Street

At Stark Street we cater to younger clients who are able to have more independent lives. Our day consists of going to work and going out in the community to increase social integration.

We have janitorial work at this site and have been involved in cleaning parking lots. All of our jobs pay minimum wage.

We try to do community outings every day. Depending on the time of year they could include: Bowling, movies, parks, different stores of the clients' choosing, and workouts at Olympic Gym.

We take clients to the bank every pay period to cash their paychecks to help clients learn common banking terms and work on money management skills.

The clients that come to this program like coming to this program and look forward to seeing their friends and staff there.
